

## Volunteer West Island's 11<sup>th</sup> Annual Golf Tournament: Another Outstanding Success!

Monday, June 20th marked Volunteer West Island's 11th Annual Charity Golf Tournament, held at Hudson's Whitlock Golf & Country Club. Even the weather cooperated for the tournament! Sunshine, fresh air, fun, prizes galore! Most impressive of all was the collaboration among sponsors, donors, the VWI Team, and **many, many volunteers**, working together to benefit seniors in the West Island community and make this yearly event so successful.

This is VWI's major fundraising event for its numerous in-house and outreach services and activities for seniors, aimed at helping them remain actively involved in their community. As Peter Trepanier, Chairman of the Golf Committee and President of the VWI Board of Directors, stated,

We're all about helping. That's what Volunteer West Island does. An important part of our mandate is to assist West Island seniors to remain in their homes, enjoying as high a quality of life as possible, for as long as possible. Through our programs and services, VWI helps seniors stay connected to their community. Our extensive network of over a thousand volunteers and the generous support of the golfers allow us to provide those critical services to West Island seniors.

Volunteer West Island wishes to thank the golfers, dinner guests, sponsors, and volunteers who, through their support, made this event such a resounding success. All proceeds go to make possible the continuation of these important services and allow VWI to reach as many people as possible, keeping up with the growing demand and helping seniors remain connected to *their* community. The services provided by Volunteer West Island aid, not only the individuals involved, but also their families, and the West Island community as a whole - a community working together for the benefit of all!

For more information about programs, services, and volunteering opportunities at Volunteer West Island, please consult the VWI website, [www.volunteerwestisland.org](http://www.volunteerwestisland.org), or call 514 457-5445.
